The UC Fellows of the Graduate School Distinguished Seminar Committee is now accepting applications for Fellows support provided to UC departments or units to bring a distinguished speaker to campus during the 2015-2016 academic year spring semester or 2016-2017 academic year fall semester.

The Fellows will provide up to $1,000 in financial support for a successful application. Distinguished speakers are expected to be those who can attract a broad audience from within the University community, yet whose costs may exceed those of any single department or unit. Multi-disciplinary speakers jointly sponsored by multiple departments and/or units are also eligible for Fellows support. The proposed speaker visit/itinerary need not be secured prior to submission for financial support, but an agreement to present a public lecture at UC is a requirement for UC Fellows support.

A successful application will demonstrate a clear need for Fellows financial support, the ability of the speaker to address a topic of broad interest to the UC community, and the plans of the host unit(s) to broadly disseminate lecture information to students, staff, faculty and other appropriate audience targets.

Financial support may be used to provide a speaker honorarium, post-lecture reception or cover unusual travel expenses.

The distinguished speaker host must submit the completed application form electronically to:

Dr. Patrick A Limbach
Chair, Distinguished Seminar Committee
Email: Pat.Limbach@uc.edu

**DEADLINE for receipt of applications: Friday, February 12, 2016.**

The members of the Distinguished Seminar Committee will review applications and successful applicants will be notified no later than February 26, 2016.

Any questions should be directed to Dr. Limbach.
