

## Graduate College Dean's Dissertation Completion Fellowship Agreement Form

The Graduate College Dean's Dissertation Completion Fellowship provides a \$20,000 stipend for the fellowship year, as well as a full tuition scholarship<sup>1</sup>. Eligible students are those with dissertation committees established, who will have all coursework completed by the beginning of fellowship (i.e., fall semester), and who are sufficiently advanced in their dissertation research and writing to be able to commit credibly to graduating by the end of the fellowship year. The purpose of this award is to support students in their final year of study. **Therefore, awardees, their mentors, and their graduate program directors must sign an acknowledgement that (1) affirms their shared commitment to graduate by the conclusion of the fellowship year, and (2) signals that their acceptance of this award precludes the student from receiving any further university (UGA or Graduate Scholarship) funding for this degree program in the future, in the event that the student does not graduate during the academic year.**

This agreement form is to be signed by the nominated student, the student's mentor, and the student's graduate program director. Please sign by hand or use a digital signature. Do not type.
